

# Colinton Garden Club

Newsletter 74

April 06

Coming soon..

**Monday 24<sup>th</sup>.  
April 2006  
at 8.00 p.m.  
Annual General  
Meeting**  
in Dreghorn Loan  
Hall.

Your chance to  
hear reports and  
enjoy a glass of  
wine or soft drink

**Monday 29<sup>th</sup> May  
at 6.30pm  
Open Garden  
(Alex Kerr)**  
at 7 Observatory  
Road, (Blackford  
Hill).

Alex has kindly  
agreed to open  
his Garden to  
members.

There will be  
displays of  
rhododendrons  
and azaleas  
among other  
things.

## From the pen of our Chair...

*"Whan that Aprill with  
his shoures soote*

*The droghte of March  
hath perced to the  
roote,*

*And bathed every  
veyne in swich licour*

*Of which vertu  
engendred is the flour"*

**The Canterbury Tales,  
Geoffrey Chaucer**

Cruel Winter with his icy  
cloak has lingered long  
and drags his feet as he  
shuffles towards Spring.

In my garden, the  
daffodils huddle and  
shiver under the wall  
afraid to lift their faces  
to the fickle sun while  
the blue and pink  
pulmonarias slink under  
the vigorous vinca.  
Just a few hours of  
exquisite sunshine lulled  
us with false warmth  
and how we long for  
true Spring! It will  
come. It must come.  
And then we gardeners  
can begin to look  
forward to the glories of  
summer.

Despite the vicious  
weather, the Garden

Club meetings have  
been well attended. On  
27<sup>th</sup> February, Peter  
Levy gave us an  
overview of climate  
change and how this  
might affect gardening  
in the future. This  
seems daunting since,  
in Scotland, we may  
face an Ice Age or a  
Mediterranean climate!  
He provided us with  
some profound reflection.

Our recent meeting at  
the end of March  
dazzled us with photographs  
of the exotic  
cast of peonies. Billy  
Carruthers of Binny  
Plants gave us such a  
vivid description, we  
could almost smell the  
musky scents. Many  
members bought plants  
so we look forward to

seeing them performing  
in the gardens of  
Colinton.

On April Fool's Day, 14  
"nae fools", Colinton  
members gathered at the  
Botanics for a workshop  
on plant division. The  
sun provided a little  
warmth in the walled  
nursery. The birds sang  
and our trusty leader had  
to avoid the attentions of  
a buzzing bee as he  
showed us layering of a  
flowering rhododendron.  
The instruction was  
excellent and involved  
practical application,  
though he did the heavy  
digging of the herbaceous  
plants which we then tore  
apart with forks and  
hands to pot up on the  
benches.

**OPEN GARDENS  
DAY  
PLANT SALE  
Sat. 10<sup>th</sup> June 2006**

Start dividing up  
plants and making  
cuttings for the  
Plant Sale now!  
Make the sale a  
success.

**Saturday  
10<sup>th</sup>. June 2006**

**10a.m. till -12.30**

**Open Gardens  
and Plant Sale**

The following  
gardens will be open:

Vivienne and Jim  
MacPhail,  
15 Fernielaw Avenue  
**including plant sale  
and tea/ coffee**

(on the right side of  
the road, just  
opposite West  
Carnethy Ave.)

Janet and Bill Munro,  
Fernielaw House,  
35 Fernielaw Avenue

(on the right side of  
the road, opposite  
Munro Drive)

Anne Duncan  
1 Bonaly Road

(on the left side of the  
road, just after Grant  
Avenue)

As ever we are really  
grateful to these  
members for opening  
their gardens

**See you there!**

## From the pen of our Chair (continued)

Needless to say, those attending bore away many, many pots of cuttings. In fact one member remarked Colinton Garden Club resembled a jolly swarm of locusts so if you think the Botanics looks a little depleted....? The plant stalls in Colinton should look good, this year!

This is perhaps the appropriate time to remind you of the Open Gardens and Plant Sale which will take place on 10<sup>th</sup> June in the area of Bonaly Road and Fernielaw. There will be three gardens to view as well as the plant sale, and tea and coffee will be available. This is always a lovely occasion whatever the weather and I would encourage new members to come. Please prepare your cuttings and plant divisions for the sale as this is an opportunity to exchange plants and enhance Club funds. This year, we have a plethora of riches; an extra treat in store, as our member, Alex Kerr has offered to open his garden at 7, Observatory Road for an evening visit on Monday 29<sup>th</sup> May at 6.30pm.

The other highlight of

our summer programme is our outing on 8<sup>th</sup> July which will be to gardens in the Borders and may include three gardens. Due to our slightly reduced income with the absence of an autumn fertiliser order, it has been decided that funds should no longer be used to subsidise events. The price of tickets for the outing will therefore represent a realistic reflection of costs and will be a little dearer than on previous occasions. This is a very popular event, and always very enjoyable. Please buy your tickets at the next meeting, or contact Christopher Davies on 441 2152 or Jonathan Davey on 441 2827.

Scotland's Gardens Show takes place at Ingliston on the first weekend in June. It promises many "goodies" but also provides an opportunity for clubs to participate in a pallet garden competition. This year, these will be displayed inside and outside the Floral Hall. Colinton Garden Club created a micro Colinton in last year's competition. This year, we are participating again and already the group has turned its creative talents to

planning and is in the process of developing another **idea**. We are still looking for members for the group so if you would like to contribute, please do not be shy and contact me as soon as possible.

I am very excited as, this year, Colinton will have its name on two exhibits in the pallet gardens: Colinton Primary School Club is also entering a garden so "the parent plant and its offshoot" have been entered in the competition. We would be grateful for members' help with both of these projects.

The School Club started again in the middle of February and our last session took place on 30<sup>th</sup> March. Johanna Carrie and I have continued to run the Club with the help of Alison Carr who is one of the teachers. There were 19 children at the first few sessions though inevitably there has been some decline in numbers but the Head Teacher has told us that in her view we have a very good regular attendance.

We have been limited in our activities due to the weather but have had garden quizzes (almost as difficult as those at the  
*(continued on next page)*

## Summer Outing

**Saturday 8<sup>th</sup>. July  
2006  
8.45 a.m. - 5.45 p.m.**

This year we will be visiting the Borders. We will be going to:

**Manderston, Duns** – an Edwardian stately home with 56 acres of gardens (morning tea/coffee provided)

**Netherbyres, Eyemouth** – with its elliptic walled garden

**Edrom Nursery, Coldingham** – a fascinating nursery

The bus will leave **sharp** from Westgarth Avenue (opp. tennis courts) and the cost is £17.50 – tickets available at the AGM or from Chris Davies (441 2152) or Jonathan Davey (441 2827)

### Christian Aid Spring Fair – Garden Stall

The Christian Aid Spring Fair will be held in Dreghorn Loan Hall on Saturday 13<sup>th</sup>. May 2006 from 10.00 a.m. till 12 noon. The garden stall offers a varied selection of outdoor and indoor plants at well below garden centre prices. Donations of plants for this good cause are always gratefully received, and should be handed in on the morning of the sale at the Hall, or on evenings prior to the sale to Bryan Dale at 19 Dreghorn Loan.

## From the pen of our Chair (continued)

Xmas Party!); making paper flowers; the science of seeds; taking cuttings from indoor plants; planting carrot tops, avocado, cress etc.; and potting on plug plants and planting seeds. On the only warm, sunny afternoon, we had a treasure hunt for bark rubbings and various nuts/seeds etc. in the Gallolee Woods. The children are enthusiastic and are looking forward to next term when we can do more outside. They have already drawn some plans of pallet gardens though we will have to help them develop one distinct idea.

The next meeting of Colinton Garden Club will be the A.G.M. on 24<sup>th</sup> April. Although those currently in office will remain in their roles until September, there are three members who will not seek re-election at the A.G.M. Sadly, after six years, Mitchell Maclean has come to the end of his tenure of office under the constitution and wishes to take his retiral. Mitchell has guarded the Club finances with zeal and we have been lucky to benefit from his considerable professional expertise. He has sustained the Committee with his commitment, hard work, unflinching good humour and wit and I have appreciated his support throughout my time as chairperson. Indeed, I think I could not have functioned without his loyalty and help. Due to pressure of work, James Smith has found it necessary to withdraw from the post of implements officer and we are sad that his time with us has been so short. I am delighted to be able to report that Christopher Davies has agreed to stand for election as Chairperson and I know I will be able to hand the baton to a very capable successor who will take the Club in new directions with his drive and enthusiasm.

I have loved my period as Chair with a wonderful Committee and stimulating and friendly membership, but I did only agree to an inter regnum of one year. I am pleased to say the other members of the Committee are seeking re-election though there will be some changes in roles. Gill Perry has kindly agreed to take over responsibility for the tools. I am delighted that Alasdair Ferguson has agreed to take over as Secretary, and Jo McEwan has agreed to become the Treasurer. Although Jonathan Davey is willing to stay on the Committee, he is unable to make the same commitment and will continue in an advisory capacity. The role of Programme Convenor is therefore vacant. As members will know, Jonathan has provided an invaluable service to the Club in organising many superb talks, workshops and outings. At this point in time, we have two nominations for the three vacancies on the Committee.

The Committee wish to nominate two very special persons as honorary members. Margaret McDougall and Carol Lumsdon have done sterling service on the Club's behalf for many years, organising and serving refreshments on every occasion and helping in a number of different ways. They have been our unsung heroines and now we would like to recognise this.

I hope you will continue to support your Club and look forward to seeing you at the A.G.M. when you will have an opportunity to express your views and make suggestions. Please make it lively. Wine and soft drinks will be available and it is an opportunity to socialise in a congenial atmosphere.

**Isobel Lodge, Chairperson**

Just to give you advance warning that this annual gardening and outdoor living show will be taking place again at the Royal Highland Centre, Ingliston, Edinburgh **from Friday 2<sup>nd</sup> June to Sunday 4<sup>th</sup> June**. There will be the well established Floral Hall, show gardens, displays, patio and garden ideas and fun for the whole family.

**Colinton Garden Club** is planning to take an active part by competing in the **Pallet Garden Competition**. Anyone with creative ideas or practical construction skills please let us know, so that we can start construction! The Garden Club School Club will also be exhibiting a Pallet Garden under the auspices of Colinton Garden Club.

Entrance to Gardening Scotland costs £14 on Friday 2<sup>nd</sup> June, £12 on the other days. You can save £2 by booking in advance. Phone 0906 701 2000 or book on line [www.gardeningscotland.com](http://www.gardeningscotland.com)

### Fertiliser Order

A healthy number of Garden Club members have taken advantage of the Archie Hunter spring fertiliser order and delivery service this year, with many members benefiting from a free bag of special mulch on orders over £25. All orders have been delivered to homes in and around Colinton with the exception of one.

I have taken delivery of one bag each of John Innes Multipurpose Compost, Peat and Topsoil for the member whose name and address was omitted from the order form. If it's you, please contact me, Dawn Ellis, on 622 0623.

Look out for the Autumn order!

### Forthcoming Suntrap events

**Friday 28<sup>th</sup>. April** *Growing Herbs and Salads*

**Friday 19<sup>th</sup>. May** *Making Summer Hanging Baskets and Planters*

Workshops take place from 2 – 4 pm and the fee is £5 plus cost of materials.

**Sunday 28<sup>th</sup>. May** *Suntrap's Open Day, 10.30 a.m. – 4.30 p.m.*

Further details on the above from Suntrap on 0131 339 7283, e-mail [suntrap@bopenworld.com](mailto:suntrap@bopenworld.com)

### And finally...

On **Friday 5<sup>th</sup>. May 2006 at 7.30 p.m.**, Dalgety Bay Garden Club guest speaker at its meeting will be the Duchess of Northumberland who will give a presentation on The Alnwick Garden (a delightful place as those who have been will know). An invitation to attend has been extended

to other Garden Club members in the area. If anyone would like attend, please contact Alasdair Ferguson on 0131 477 0178, e-mail [alasdair-f@blueyonder.co.uk](mailto:alasdair-f@blueyonder.co.uk)
